## ALTITUDE GRAPH

**Nestled amidst high mountains and dense forest at a picture perfect location, Dodi Tal is an emerald lake offering serene and tranquil environs. Popular with nature lovers and trekking enthusiasts, Dodital is often visited by trekkers throughout the year.**

Dodital is one of the very few water bodies where Himalayan Trout's are found. A Temple dedicated to Lord Ganesha is situated at a corner of the lake. According to myths and legends Dodital is considered to be the birthplace of Lord Ganesha. The circumference of the lake is 1.5kms with dense deodar trees all around it.
